Ideation Phase
Define the Problem Statements

Date	30 SEPTEMBER 2022
Team ID	PNT2022-TMID43750
Project Name	AI Based A Noval Method For Handwritten Digit Recognition System
Maximum Marks	2 Mark

Customer Problem Statement Template:

Handwriting Recognition has an active community of academics studying it. The biggest conferences for handwriting recognition are the International Conference on Frontiers in Handwriting Recognition (ICFHR), held in even-numbered years, and the International Conference on Document Analysis and Recognition (ICDAR), held in odd-numbered years. Both of these conferences are endorsed by the IEEE.
